Domestic partners who meet the definition of a partner and can provide acceptable proofs of financial interdependence as outlined in the Affidavit of Domestic Partnership and Affidavit of Financial Interdependency shall be eligible for coverage under the SEHP.

#### 6.23 Summer Health Insurance

Eligible employees who are employed in the spring semester and are expected to return in the subsequent fall semester will be eligible for an employer contribution during the intervening summer. The employee's department must verify that the employee is expected to return.

Arrangements will be made to collect the employee portion of the health insurance contribution for the summer from the eligible employee prior to the end of the spring semester.

#### 6.24 SUNY Visa Holders

State University of New York J1 Visa holders must enroll for coverage under the State University of New York Medical Insurance Program for International Students and Scholars subject to the coverage requirements of federal regulations. The State University may waive this requirement to enroll if the J1 Visa holder provides proof of other coverage that, in the State University's judgment, meets or exceeds the federal requirements.

State University of New York F1 Visa holders who meet the eligibility requirement for an employer contribution must enroll in the SEHP. The State University may waive this requirement to enroll if the F1 Visa holder can show proof of other coverage that, in the State University's judgment, meets or exceeds the coverage provided by the SEHP.

#### 6.25 Enrollment

The State University will designate an open enrollment period of 45 days each academic year.

An eligible employee may enroll himself/herself and any eligible dependents during the open enrollment period or within 45 days of the employee's first becoming eligible. Dependents not enrolled at the time of the employee's enrollment may be enrolled within 30 days of a qualifying event (i.e., marriage, birth, entry into the country, involuntary loss of prior coverage).

If an eligible employee fails to enroll himself/herself and eligible dependents as provided in Article 6.21, the employee may enroll himself/herself and eligible dependents at any time, subject to a 30 day waiting period.

Domestic students at campuses where enrollment for health insurance coverage is not mandated by the campus may enroll in the SEHP if they meet the eligibility requirements for an employer contribution. Domestic students at campuses where enrollment for health insurance coverage is mandated by the campus must enroll in the SEHP during the open enrollment or within 45 days of first becoming eligible, as described in Article 6.21, if they meet the eligibility requirements for an employer contribution and are not otherwise eligible to have the coverage requirement waived. Failure to either obtain a health insurance waiver or to enroll in the SEHP in a timely manner as described in Article 6.21 may result in the employee being automatically enrolled in the mandatory student health insurance program provided by the campus. The cost of the coverage provided by the campus would be paid for entirely by the student.

Domestic students at campuses where enrollment for health insurance coverage is mandated by the campus may be enrolled in the mandatory student health insurance program provided by the campus if they do not enroll in the SEHP within the appropriate timeframes described in Article 6.21. Late enrollment in the SEHP as provided in Article 6.21 does not entitle them to withdraw from the mandatory insurance program except at times designated by the campus.

#### 6.26 Employer Contribution

Effective September 1, 2014, or as soon as practicable thereafter, the State will contribute:

- 88 percent of the cost of individual coverage for domestic students and SUNY F1 Visa holders, and
- 73 percent of the additional cost of dependent coverage for the eligible dependents of domestic students and SUNY F1 Visa holders.

For SUNY J1 Visa holders enrolled in the State University of New York Medical Insurance Program for International Students and Scholars, the State will contribute:

- 88 percent of the cost of individual coverage under the State University of New York Medical Insurance Program for International Students and Scholars, or a dollar amount equal to what the State would contribute under the SEHP for individual coverage, whichever is less, and

- For eligible dependents, 73 percent of the additional cost of their coverage under the State University of New York Medical Insurance Program for International Students and Scholars, or a dollar amount equal to what the State would contribute for dependent coverage under the SEHP, whichever is less.

The State's contribution will be applied toward the cost of hospital, medical, prescription drug, dental and vision coverage as defined under the SEHP. This contribution, however, will not be applied toward the cost of evacuation/repatriation coverage or any hospital, medical, prescription drug, dental and vision coverage in excess of that provided by SEHP.

Failure of the employee to make employee contributions as required (i.e., through regular payroll deductions or in advance for coverage during the summer, or on a direct pay basis when required) will result in termination of coverage that cannot be reinstated until a subsequent, designated open enrollment period.

Eligible employees may make their employee contributions on a pre-tax basis subject to the limitations and restrictions of federal regulations governing plans provided under Section 125 of the Internal Revenue Code.

#### 6.27 Joint Committee on Health Benefits

The State and GSEU agree to establish a Joint Committee on Health Benefits relating to the SEHP. The Joint Committee on Health Benefits shall consist of no more than five representatives selected by GSEU and no more than five representatives selected by the State. Both parties shall prepare and present a list of the permanent members of the Joint Committee on Health Benefits.

The Joint Committee on Health Benefits shall meet within 14 days, or as soon as practicable, after a request has been made in writing by either side. Within three working days of this written request to meet, the entity making such request shall submit a written agenda for the proposed meeting to the Joint Committee members.

The Joint Committee on Health Benefits shall work with appropriate State agencies to review and oversee various aspects of the SEHP. The review shall include:

1. The review of access to providers and coverage under the SEHP.
2. The review and development, in conjunction with the carrier, of communications such as the handbook and the certificate of insurance for the SEHP.
3. The study of recurring subscriber complaints and recommendation for the resolution of those complaints.
4. The Joint Committee on Health Benefits shall establish methods and procedures for review of disputed medical claims.
5. The Joint Committee on Health Benefits shall request administrative and technical assistance from appropriate State agencies and/or other sources deemed necessary and approved by the Joint Committee on Health Benefits.
6. The Joint Committee on Health Benefits shall be provided with the carriers' rate renewal request and shall be briefed on the status of the development of such rate renewal.
7. The Joint Committee on Health Benefits shall work with appropriate State agencies to monitor future employer and employee SEHP cost adjustments.
8. The Joint Committee on Health Benefits will work with appropriate State agencies to make mutually agreed upon changes to the SEHP.

9. Through the Joint Committee on Health Benefits process, the State and GSEU will continue to explore ways to inform GSEU members of the advantages of taking generic or preferred brand-name prescription drugs when discussed with their physician and clinically appropriate.
10. The Joint Committee on Health Benefits will explore the feasibility, cost, access and other concerns for adding dental coverage for extractions, root canal, bridges and crowns.

## **Article 8 Job-Related Expenses**

With prior written approval of the department chair or the designated account manager for the unit making the reimbursement or their designees, employees shall be reimbursed for job-related expenses for materials required by the department where free access to such materials does not exist.

## **Article 9 Mileage/Lodging/Meal Reimbursement**

9.1 With prior written approval of the department chair, the State agrees to reimburse, on a per diem basis as established by Rules and Regulations of the Comptroller, employees for travel expenses incurred while in travel status in the performance of their official duties for hotel lodging, meals, and incidental expenses related thereto (hotel tips, etc.), for a full day at either of the following schedules and the rates set forth therein:

Said rates shall be equal to the combined per diem lodging and meal reimbursement rate provided by the Federal government to its employees in such locations, except that in Rockland County receipted lodging and meal expenses shall be reimbursed according to the Comptroller's rates in effect on March 31, 1988 until the combined per diem lodging and meal reimbursement rate provided by the Federal government to its employees equals or exceeds that rate. At that time, the Federal rate will apply.
2. In locations for which no specific rate is published, receipted lodging and meal expenses for authorized overnight travel in locations within and outside of New York State shall be reimbursed to a maximum of the combined per diem lodging and meal reimbursement rate provided by the Federal government to its employees for such locations.
3. The rates in paragraphs 1 and 2 above shall be revised prospectively in accordance with any revision made in the per diem rates provided by the Federal government to its employees.
4. In recognition of the fact that meals and lodging which are fully accessible to employees with disabilities may not be reasonably available within the specified rates, reimbursement for reasonable and necessary expenses will be allowed as specified by the Comptroller.
5. When the employee is in travel status for less than a full day, and incurs no lodging charges, reasonable and necessary receipted expenses will be allowed for breakfast and dinner as determined by the Comptroller.

9.2 The State agrees to provide, subject to the Rules and Regulations of the Comptroller, a maximum mileage allowance rate per mile equal to the maximum mileage allowance provided by the Federal government to its employees for the use of personal vehicles for those employees eligible for such allowance in connection with official travel.

9.3 The parties agree that the State retains the right to establish a centralized reservation system for employee lodging and transportation arrangements, and to designate specific lodging facilities and transportation modes for locations within and outside of New York State.

10.3 Where campus-wide committees exist to discuss matters of workplace health and safety, the Executive Vice President of GSEU may appoint one representative to serve on each campus health and safety committee. Where such committees do not exist, the campus shall designate an individual with whom GSEU may meet to discuss campus safety and health issues pertaining to employees in this bargaining unit.

10.4 In recognition that safety is a workplace issue which transcends negotiating units, the parties agree to foster a safety coalition involving all employee groups in the State to address common safety concerns.

**Article 11**

#### **12.1 Negotiations**

GSEU may request employee organization leave for a reasonable number of employees to meet with the State as members of GSEU's negotiating team. Such leave shall be requested in periods of either one semester or two semesters at a time. Request for such leave shall be submitted to the State with a minimum of 30 calendar days' advance notice.

The time spent on a leave pursuant to this Article shall not be counted in calculating the total number of semesters for which an employee is eligible to be considered for employment within the bargaining unit.

An employee for whom such leave is requested and granted shall remain subject to any requirements for renewal or continuation of the academic program.

An employee who fails to maintain status as a graduate student, and therefore is no longer a member of the bargaining unit, shall not be eligible for leave under this provision.

GSEU shall reimburse the home campus for the cost of salary and fringe benefits occasioned by the leave consistent with provisions promulgated by the Department of Audit and Control, and any applicable overhead charges. Request for such leave shall be submitted to the Governor's Office of Employee Relations with a minimum of 30 calendar days advance notice.

#### **12.3 General Provisions Applicable to Employee Organization Leave Requests**

(a) GSEU recognizes that it is necessary for the State to give primary consideration to the operating needs of the State when determining whether to grant employee organization leave requests. The use of employee organization leave shall not impair services to the public, nor shall such leave be unreasonably withheld.

(b) Employee organization leave granted pursuant to this Article shall in no way modify the academic requirements applicable to the affected employee.

At campuses where fifty or more graduate and teaching assistants work, the State shall provide and install one campus bulletin board for GSEU use. Bulletin board material shall be signed by a designated campus official of GSEU. No material shall be posted which is obscene, profane, derogatory of any person or organization, or which constitutes election campaign material for or against any person, organization, or faction thereof, except that election material relating to internal GSEU elections may be posted on such bulletin boards.

Posting of leaflets pertaining to activities and matters of GSEU concern shall be limited to bulletin boards designated specifically for GSEU use.

**Article 16**  
**Grievance and Arbitration Procedure**

The grievance must identify which of the specific provisions of the Agreement listed under Article 16.1 are claimed to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it, including

Such filing must occur within 45 calendar days following the act or omission giving rise to the grievance at that campus, or within 45 calendar days of the date on which an affected employee at that campus first knew or reasonably should have known of such act or omission, whichever is later.

Where the arbitrator finds that there has been a failure to attach a written response received from an employee to a supervisory evaluation in the employee's personnel file under the provisions of Article 23, the remedy shall be to direct that any written response be attached to the evaluation.
- xx. Where the arbitrator finds that there has been a failure to make available written policies on workload currently in effect to an employee upon the employee's written request for such policies under the provisions of Article 24, the remedy shall be to direct that such policies be provided to the employee.
- xxi. Where the arbitrator finds that there has been a failure to provide GSEU no later than November 15 and March 15 of each year with a list of employees that includes the information specified in Article 26.2, the remedy shall be to direct that the list be provided.

#### 4. Arbitrability

In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall determine initially whether the issue in dispute is arbitrable under the express terms of this Agreement. At the request of either party, such determination shall be made by a written decision and award. Once the arbitrator has determined that the issue is arbitrable in accordance with provisions of this subdivision, the arbitrator shall proceed to determine the merits of this issue.

#### 5. Time and Place of Meeting

The arbitrator shall hold the hearing in Albany, unless otherwise agreed to by the parties, within 15 calendar days of the arbitrator's selection or as soon thereafter as is practicable. The arbitrator shall issue a decision and award upon an issue within 30 calendar days of the hearing, unless additional time is agreed to by the parties. Copies of the arbitrator's decision and award shall be sent simultaneously to the Governor's Office of Employee Relations, GSEU, the Chancellor's designee, and the campus president or designee.

#### 6. Effect of Decision and Award

The decision and award of the arbitrator shall be final and binding upon the State and GSEU to the extent permitted by provisions of this Agreement and applicable Law.

#### 7. Fees and Expenses

All fees and expenses of the arbitrator shall be paid by the losing party. Each party shall be responsible for the cost of preparing and presenting its own case.

#### 16.10 Miscellaneous Provisions

(a) Notwithstanding any other provisions of this Article, neither the employee nor GSEU shall be permitted to allege violations other than those specified in writing on the grievance form filed with the campus president or designee.

(b) All of the time limits contained in this Article may be extended by mutual agreement of the parties. Extensions shall be confirmed in writing by the party requesting the extension. Upon failure of the State or its representatives to provide a response within the time limits provided in this Article, the GSEU may appeal to the next level. Upon failure of the GSEU to file a grievance appeal within the time limits specified in this Article, the grievance shall be deemed

to have been withdrawn.

(c) Mailing

1. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested, or by personal service on the employee or GSEU, or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.
2. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.
3. For the purposes of time limits under this Article, a grievance shall be deemed to have been filed on December 20th if it is in fact received before the close of business on the fifth business day from January 20th.

(d) Precedent

Grievances resolved at any level shall not constitute a precedent in any arbitration proceeding unless agreed to in writing by the Director of the Governor's Office of Employee Relations and GSEU acting through its Executive Vice President.

(e) Retroactivity

A settlement of, or an arbitrator's decision and award upon, a grievance may or may not be retroactive as the equities of each case may demand, but in no case shall such resolution be retroactive to a date earlier than 30 calendar days prior to the date the grievance was first filed with the campus president or designee.

(f) All expenses, other than those referred to in Article 16.9(a) (7), shall be the responsibility of the party incurring such expenses.

(g) Grievants' participation in the grievance process shall not interfere with their scheduled responsibilities. However, where there is a conflict between grievant's campus responsibilities and attendance at the arbitration hearing, grievant's campus responsibilities shall be rescheduled to permit attendance at such arbitration hearing.

16.11 Applicability

This Article shall not apply to any matter which relates to campus by-laws, policies, operating procedures, or any other form of guideline by whatsoever name, whether pertaining to a unit, department, division, school or any other level of organization of a campus and whether appearing in a campus handbook or any other document.

## **Article 17**

### **Discipline and Discharge**

17.1 Purpose

The purpose of this Article is to provide a prompt, equitable and efficient procedure for the

imposition of discipline for just cause. Both parties to this Agreement recognize the importance of counseling and the principle of corrective discipline.

17.2 For purposes of this Article, a disciplinary penalty is defined exclusively as the issuance of an official letter of reprimand, implementation of a monetary fine, imposition of a suspension without pay, or discharge from employment. The provisions of this Article shall not apply to actions taken by the campus related to academic performance or progress (including but not limited to discharge), non-renewal, loss of funding, or terminations due to physical or mental incapacity, nor shall such actions be regarded as a disciplinary penalty.

#### 17.3 Disciplinary Procedures for Disciplinary Penalties Other Than Discharge From Employment

(a) In the event the campus has imposed a disciplinary penalty as defined in Article 17.2 other than discharge from employment, the employee shall have, upon the filing of a timely request, the right to meet with the president's designee so that the employee may respond to the charges that are the basis for the discipline.

(b) Within five (5) calendar days of the effective date of implementation of such penalty or the date upon which the employee should reasonably have been aware such penalty was to be implemented, whichever is later, the employee may file a written request for a meeting with the president's designee. Such written request shall be filed by the employee by personal service or certified mail return receipt requested. Such request shall be considered filed on the date of delivery for personal service or upon the date of postmark for date of mailing affixed by the U.S. Postal Service on the return receipt for certified mail. In the event a request is not filed within the above specified time limits, all rights and entitlements contained in this Article and otherwise applicable shall be deemed waived.

(c) The employee may elect to be accompanied to such meeting by a representative of the GSEU. Such election must, however, be clearly stated within the written request for a meeting with the president's designee. In the event an employee does not clearly state in such written request that he/she will be accompanied by a GSEU representative, it shall be deemed a waiver of such right for purposes of the meeting with the president's designee.

(d) Within five (5) calendar days of the employee's filing of a request for a meeting with the president's designee, the president's designee shall initiate the scheduling of a meeting with the employee for purposes of discussing the basis for the implementation of the disciplinary penalty. The president's designee shall send written confirmation to the employee identifying the time, date and place where such meeting will be held. Accompanying such written confirmation shall be a brief written description of the basis for the implementation of the disciplinary penalty. In the event the employee has indicated in his/her written request that he/she will be accompanied to such meeting by a representative from the GSEU, the appropriate campus GSEU representative as identified under Article 26 of the Agreement will be the person to whom all scheduling matters and materials will be directed.

#### 17.4 Disciplinary Procedures for Discharge

(a) The procedures contained in this Article shall be applicable only where the campus has imposed a disciplinary penalty of discharge from employment as defined in Article 17.2.

(b) Within ten (10) calendar days of the effective date of the discharge from employment, the president's designee shall personally deliver or send by certified mail a brief written description of the basis for implementing such disciplinary penalty. Such brief description

should contain information sufficient to understand the nature of precipitating event or events, such as times, dates and places if applicable.

(c) Within five (5) calendar days of receipt of the written notification from the president's designee referred to in Article 17.4(b), the employee may file a demand for a review by the president's designee of the basis for the disciplinary discharge from employment. Such demand shall be filed by the employee by personal service or certified mail. Such demand shall be considered filed on the date of delivery by personal service or upon the date of the postmark affixed by the U.S. Postal Service on the return receipt for certified mail. In the event such demand is not filed within the above-specified time limits, all rights and entitlements contained in this Article and otherwise applicable shall be deemed waived.

(d) The employee may elect to be represented by GSEU for the purposes of the review by the president's designee. Such election, however, must be clearly stated within the written demand for a review by the president's designee. In the event an employee does not clearly state in such written demand that he/she will be represented by GSEU, it shall be deemed a waiver of such right for purposes of the review by the president's designee and any further review.

(e) Within five (5) calendar days of the employee's filing of a demand for a review, the president's designee shall initiate the scheduling of a review meeting for the purposes of reviewing the basis for implementation of the disciplinary discharge from employment. The president's designee shall send written confirmation to the employee identifying the time, date and place where such meeting will be held. In the event the employee has indicated in his/her written request that he/she will be accompanied to such meeting by a representative from the GSEU, the appropriate campus GSEU representative as identified under Article 26 will be the person to whom all scheduling matters and materials will henceforth be directed.

(f) Decision of President's Designee

Within ten (10) calendar days of the meeting with the president's designee, held pursuant to Article 17.4, the president's designee shall issue a written decision regarding his/her review of the basis for implementation of the disciplinary discharge from employment. Such written decision shall contain a summary of the arguments and evidence offered in support of the basis provided in Article 17.4(b) for the disciplinary discharge, a summary of the arguments and evidence provided for mitigation of discharge from employment as the disciplinary penalty, a conclusion as to what action, if any, will be taken by the president's designee, and a brief rationale for such conclusion. Such written decision shall be delivered to the employee by personal service or by certified mail return receipt requested. Such written decision shall be considered received by the employee on the date of personal service or upon the date of receipt as appears on the return receipt for certified mail.

(g) Within five (5) calendar days of receipt of the written decision by the president's designee, the employee may file a demand for a review of such written decision by the SUNY System Administration Office of Employee Relations. Such demand shall be considered filed on the date of delivery by personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the date of the postmark affixed by the U.S. Postal Service on the receipt for certified mail. In the event such demand is not filed within the above-specified time limits, all rights and entitlements contained in this Article and otherwise applicable shall be

deemed waived. Such demand shall include such argument and/or evidence as the employee wishes to have considered in the review of the written decision by the president's designee.

(h) Decision of the System Administration Office of Employee Relations, Chancellor's designee. Within ten (10) calendar days of receipt of the employee's demand for a review of the written decision by the president's designee, the System Administration Office of Employee Relations (Chancellor's designee) shall issue a written decision. Such written decision may overturn or uphold the written decision of the president's designee in whole or part. In so doing, the Chancellor's designee may sustain or vacate the discharge, or implement a different disciplinary penalty in lieu of discharge. In no event shall the Chancellor's designee substitute judgment on any matters pertaining to academic standing, academic progress or other issues pertaining to student status other than that attendant to reinstatement to employment if the discharge is vacated. Such written decision shall be final and binding and not subject to appeal or review in any forum, and shall be transmitted to the employee by personal service or certified mail, return receipt requested.

#### 17.5 Time Limits

The time limits set forth in this Article may be mutually extended by the parties in writing.

## **Article 18**

### **Leaves**

#### 18.1 Leave for Personal Illness

(a) Following one semester of State service, or its equivalent, employees may be granted leave for personal illness at the discretion of the president's designee. Subject to approval of the president's designee, such approval not to be unreasonably withheld, a maximum number of five (5) days may be granted during any one year of the Agreement (July 1 - June 30) for absences due to a temporary disability. An employee unable to perform the duties of the employee's position due to personal illness shall notify the president's designee. Employees with scheduled duties (i.e. teaching, leading discussion sections, etc.) shall provide ample prior notice to the president's designee; but in no event later than two hours before the commencement of the scheduled duty, where practicable. The president's designee may, at any time, require the employee to provide suitable medical evidence substantiating the claimed temporary disability and/or be examined by a physician selected by the college at its expense. Such examination may also be required of any employee absent due to a claimed temporary disability prior to and as a condition of return to work. Should the campus president's designee believe that medical evidence does not substantiate a claimed temporary disability, use of leave for personal illness shall be disallowed and the employee shall be placed on leave without pay.

(b) Subject to prior approval of the president's designee, such approval not to be unreasonably withheld, some or all of the five (5) days provided during any one year of the Agreement (July 1 - June 30) may be used for absences due to substantiated illness or death in the employee's immediate family (spouse, child, sibling, parent, grandparent, in-laws, or any person with whom the employee has been making his or her home).

(c) In the event the employee has been granted a leave for personal illness pursuant to Sections (a) or (b) of this Article and the specific condition upon which such leave was granted

continues after the five (5) days has been exhausted, the employee shall be eligible for up to an additional twenty-eight (28) consecutive calendar days of leave without pay once during the period identified in the letter of notification as the anticipated duration of employment or the current academic year. Such leave shall be subject to prior approval of the president's designee upon substantiation of the conditions under Sections (a) or (b) of this Article as applicable. As a condition precedent to the approval of the president's designee for such leave without pay, the employee must submit documentation that he/she will remain continuously enrolled and will be in good academic standing throughout the employment period of leave without pay. Reinstatement as a Graduate Assistant/Teaching Assistant following leave without pay will be contingent upon verification that the student maintained continuous enrollment and remained in good academic standing throughout the period.

(d) Employees shall be required to certify their presence and record any absences on forms to be provided by the State. Employees shall also be required to record on such forms any charges for leave for personal illness. Leave for personal illness may be granted in units of one-quarter day or greater.

#### 18.2 Holiday Leaves

Holidays (New Year's Day, Martin Luther King Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Election Day, Thanksgiving Day and Christmas Day) when classes are not in session on the college campus shall be treated as holidays with pay for employees in this unit.

### **Article 19 Jury Service**

On proof of necessity of jury service, an employee shall be granted leave with pay without charge to leave credits. Leave with pay for jury service shall mean leave at the rate of pay the employee would have received had the employee not been on such leave.

### **Article 20 Notification of Employment**

Upon appointment, the campus shall issue to each appointee a letter of notification. This letter shall include, but not be limited to, the following information:

1. job title;
2. stipend amount;
3. anticipated duration of appointment;
4. eligibility for health benefits;
5. general summary of duties and responsibilities of the position;
6. a statement that the position is in the bargaining unit represented for purposes of collective negotiations by the Graduate Student Employees Union/Communications Workers of America, Local 1104, and is covered by a collective bargaining agreement between the GSEU and the State and that further information is available at [www.cwa1104gseu.com](http://www.cwa1104gseu.com); and

7. A statement that graduate student employees on a full/half assistantship are generally expected to provide 20/10 hours of service per week. Employees in this bargaining unit are engaged in professional activities of such a nature that the output produced or the result accomplished often cannot be precisely measured in relation to a given period of time. It is therefore anticipated that there will be fluctuations above and below these general expectations.

## **Article 21 Job Posting**

21.1 At the beginning of each academic year, the appropriate administrative unit on each campus shall post a list of departments/work areas that employed Teaching Assistants/Graduate Assistants in the previous year. Such list shall be posted at a designated campus location which shall be made known to GSEU. Colleges or University Centers that have more than one campus will post the list at a designated location on each campus.

21.2 Each such department/work area shall post information about application procedures for Teaching Assistant and Graduate Assistant positions.

21.3 Availability of Graduate Assistant vacancies assigned explicitly to non-academic department management work areas should be announced as far in advance as feasible. Such list shall be posted at a designated campus location made known to the GSEU. Colleges or University Centers that have more than one campus will post the list at a designated location on each campus.

## **Article 22 Evaluations**

Where written employee evaluations are conducted, employees shall be notified in writing of the procedure used for such evaluations. Within ten calendar days of the employee's receipt of a written evaluation, the employee may submit a formal written response that will be attached to the evaluation. The written evaluation and the employee's formal written response shall be placed in the employee's official personnel file.

Employees shall have the right to comment upon existing written evaluation procedures, to comment upon changes to such written evaluation procedures, or to comment upon newly developed written evaluation procedures.

## **Article 23 Personnel Files**

Employees' personnel files shall be kept at a centrally designated location on each campus. Each file shall include, but not be limited to, copies of personnel transactions, official correspondence with the employee, and written reports and evaluations, if any, related to an employee's job performance. Upon request, an employee shall have the right to review the employee's personnel file during normal business hours. Copies of materials in the employee's personnel file shall be made available to the employee upon request at the employee's

expense. In addition, the employee shall have the right to make a written response to any supervisory evaluation in the employee's personnel file which shall then be attached to that evaluation. A representative of GSEU designated pursuant to Article 26.3, having written authorization from the employee concerned, and in the presence of a representative of the University, may examine the official personnel file of the employee.

#### **Article 24 Workload**

Where written policies on workload are currently in effect, they shall be available to an employee upon the employee's written request. In the event that any new policies on maximum course workload are developed, they should be developed in consultation with GSEU.

#### **Article 25 Retrenchment**

GSEU recognizes the State's right to determine the allocation of budgets to individual campuses, divisions, and departments/work areas and to determine the use of funds within units.

Each campus will provide prior notice to GSEU of significant budget cuts which will impact members of this bargaining unit.

Upon written request to the campus president, a campus representative shall meet with GSEU on a campus and/or divisional level to discuss the impact, implementation, and workload effect of budget cuts.

#### **Article 26 Lists**

26.1 If available, and where practicable, a College may provide GSEU each September and February with a list of employees in the State University Graduate Student Negotiating Unit. The purpose of such list is to assist GSEU in identifying employees in the bargaining unit, and their departments or non-academic department management work areas. The College, in its discretion, may provide any additional information it deems appropriate. The parties recognize that any information made available pursuant to this provision may be incomplete or unreliable since it is being provided early in the semester.

26.2 No later than November 15 of each year, and March 15 of each year, the State shall provide GSEU with a list of employees in the State University Graduate Student Negotiating Unit which shall include employees' names, institutions, department or non-academic department management work areas, University titles, line numbers, stipend amounts, assistantship fraction, and SEHP enrollment status, and address of record where available.

26.3 No later than November 15 of each year, and March 15 of each year, GSEU shall provide the State with a list of all individuals exclusively authorized to represent GSEU in campus matters. GSEU shall concurrently provide such information to the campus president.

The list shall include names, institutions, departments or non-academic department management work areas, University titles and GSEU titles of each representative.

### **Article 27 Information**

The State shall make available to GSEU, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiating unit and in the possession of the State as are necessary for the preparation for collective negotiations and the processing of grievances. It is understood that this shall not be construed to require the State to compile information and statistics in any specific form unless mutually agreeable.

### **Article 28 Retirement Income Supplementation Programs**

28.1 The TIAA-CREF supplemental retirement annuity program which is currently available to State University managerial employees shall continue to be made available to employees.

28.2 An additional annuity contract may be provided through GSEU pursuant to 28 United States Code, Section 403(b) from any “financial organization” (as defined in State Finance Law, Section 201.6(a)) in which employees may participate by voluntary payroll deductions to be transmitted directly to the financial organization by the State Comptroller.

28.3 An individual retirement account plan may be provided through GSEU by a “financial organization” (as defined in State Finance Law, Section 201.6) pursuant to the Economic Recovery Tax Act of 1981 (P.L. 97-34) in which employees may participate by voluntary payroll deductions.

### **Article 29 Work-Life Services Programs**

In recognition of the mutual benefits that accrue to both the State and its employees, the State and GSEU agree to provide the Work-Life Services Programs set forth below.

#### **29.1 Employee Assistance Program**

The State and GSEU shall continue to provide an Employee Assistance Program to provide information, resources and confidential assessment and referral services to assist employees to be more productive at work and to assist campuses in maintaining a healthy and productive work place.

#### **29.2 Flexible Benefit Spending Program – Dependent Care Advantage Account**

The Dependent Care Advantage Account (DCAA) shall be available during the annual open enrollment period to employees who receive regular, biweekly paychecks from the Office of the State Comptroller.

The State shall provide a contribution of \$600 per eligible DCAA enrollee subject to appropriations in Article 29.3 and IRS Rules and Regulations. In subsequent years, the employer contribution may be increased or reduced so as to fully expend available funds for this purpose.

In no event shall the aggregate employer contribution exceed the amounts provided for this purpose.

29.3 The State shall prepare, secure introduction and recommend passage of legislation for an appropriation in the amount of \$98,692 effective July 2, 2016, \$100,666 effective July 2, 2017 and \$102,679 effective July 2, 2018 to support initiatives and to carry out the administrative responsibilities of the Work-Life Services Programs which shall expire on July 1, 2019.

29.4 The Joint Labor-Management Work-Life Services Advisory Board, which recognizes the need for combined representation of all employee negotiating units and the State shall continue.

29.5 The Executive Vice President of GSEU may appoint one representative to serve on the Advisory Board for the term of the Agreement.

29.6 In the interest of providing greater availability of other services to GSEU represented employees and maximizing resources available, the Work-Life Services Programs may support additional initiatives as recommended by the Advisory Board.

29.7 Notwithstanding any other provision of this Agreement, the parties shall meet at the executive level to discuss the reallocation of joint labor-management funds. By mutual agreement of the parties, joint labor-management funds in Article 29 may be reallocated for use by other joint labor-management committees.

### **Article 30 Professional Development Committee**

30.1 A joint Statewide Professional Development Committee shall be established to review, make recommendations and implement programs for professional development. The State shall prepare, secure introduction and recommend passage of legislation for appropriations in the amount of \$174,039 effective July 2, 2016, \$177,520 effective July 2, 2017 and \$181,070 effective July 2, 2018 for the purpose of funding professional development initiatives. This program shall expire on July 1, 2019.

30.2 Notwithstanding any other provision of this Agreement, the parties shall meet at the executive level to discuss the reallocation of joint labor-management funds. By mutual agreement of the parties, joint labor-management funds in Article 30 may be reallocated for use by other joint labor-management committees.

### **Article 31 Accidental Death Benefit**

In the event an employee dies on or after July 2, 2007 as the result of an accidental on-the-job injury and a death benefit is paid pursuant to the Workers' Compensation Law, the State shall pay a death benefit in the amount of \$50,000 to the employee's surviving spouse and children to whom the Workers' Compensation Accidental Death Benefit is paid and in the same proportion as the Workers' Compensation Accidental Death Benefit is paid. However, in the event that the employee has no surviving spouse and children and the Workers' Compensation Accidental Death Benefit is paid to the deceased employee's estate, then the State shall pay

this death benefit to the employee's estate.

**Article 32**  
**Printing of Agreement**

The Graduate Student Employees Union shall cause this Agreement to be printed and shall furnish the State with a sufficient number of copies for its use. The State agrees to provide each employee initially appointed on or after the date of this Agreement a copy thereof as soon as practicable following the employee's first day of work. The cost of printing this Agreement shall be shared equally by the State and GSEU.

**Article 33**  
**Conclusion of Collective Negotiations**

This Agreement is the entire agreement between the State and GSEU, terminates all prior agreements and understandings and concludes all collective negotiations during its term. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. The parties acknowledge that, except as otherwise expressly provided herein, they have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

**Article 34**  
**Severability**

In the event that any article, section or portion of this Agreement is found to be invalid by a decision of a tribunal of competent jurisdiction or shall have the effect of loss to the State of funds or property or services made available through Federal Law then such specific Article, section or portion specified in such decision or having such effect shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. Upon the issuance of such a decision or the issuance of a ruling having such effect of loss of Federal funds or property or services, then either party shall have the right to immediately reopen negotiations with respect to a substitute for such Article, section or portion of this Agreement involved. The parties agree to use their best efforts to avoid any situation which might threaten such loss and to contest any action which might result in such loss to the State. In the event that any article, section or portion of this Agreement fails to be implemented by the Legislature, then in that event, such article, section or portion may be reopened by GSEU or the State and renegotiated. During the course of any reopened negotiations, any provision of this Agreement not affected by such reopener shall remain in full force and effect.

**Article 35**  
**Approval of the Legislature**

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

**Article 36**  
**Duration of Agreement**

The Agreement shall be effective from July 2, 2016 to July 1, 2019.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective representatives on November 27, 2017.

Ms. Anna Geronimo, President  
Graduate Student Employees Union/  
Communications Workers of America, Local 1188

Dear Ms. Geronimo:

This shall confirm our mutual understanding regarding health insurance coverage for employees who are visa holders.

- a. Domestic students, permanent residents and resident aliens may enroll in the SUNY Sponsored Graduate Student Employee Health Insurance Plan (SEHP) if they meet the eligibility requirements for an employer contribution.
- b. SUNY J1 and J2 visa holders who meet the eligibility requirements for an employer contribution must enroll for coverage under the State University of New York Medical Insurance Program for International Students and Scholars subject to the coverage requirements of federal regulations. The State University of New York may waive this requirement to enroll if the J1/J2 visa holder provides proof of other coverage that, in the State University's judgment, meets or exceeds the federal requirements.
- c. Other than those specified in paragraphs a. and b. above, all other visa holders who meet the eligibility requirements for an employer contribution must enroll in the SEHP. The State University may waive this requirement to enroll if the visa holder can show proof of other coverage that, in the State University's judgment, meets or exceeds the coverage provided by the SEHP.

Dear Ms. Geronimo:

Article 20 of the Agreement requires campuses to issue each appointee a letter of notification that includes, among other items, a general summary of duties and responsibilities of the position. This will confirm our mutual understanding that the general summary of duties and responsibilities shall include the following statement:

accomplished often cannot be precisely measured in relation to a given period of time. It is therefore anticipated that there will be fluctuations above and below these general expectations.

And  
The State of New York**

**March 17, 1994**

The undersigned agree to and understand the following:

- a. If an agreement is not reached in Article 7 parking fee negotiations within 180 days of their commencement, the dispute shall be submitted to final offer binding arbitration, as outlined below:
  1. A demand may be sent by either party to the local American Arbitration Association (AAA) office, requesting a list of arbitrators. A copy of such demand must also be sent to the other party.
  2. If mutual agreement can be reached on the selection of an arbitrator, the AAA selection procedure will not be necessary. If mutual agreement cannot be reached, the AAA rules and procedures regarding the selection of an arbitrator shall govern the selection process.
  3. The arbitrator shall hold hearings on all matters related to the dispute. The parties may be heard either in person, by counsel, or by other representatives, as they may respectively designate. The parties may present, either orally or in writing, or both, statements of fact, supporting witnesses and other evidence and argument of their respective positions. The arbitrator shall have authority to require the production of such additional evidence, either oral or written as desired from the parties and shall provide at the request of either party that a full and complete record be kept of any

such hearings, the cost of such record for the arbitrator to be borne by the requesting party. The non-requesting party need only pay the cost of a copy if so desired.

4. Each party will provide the arbitrator their final offer at the beginning of the hearing, and such offer shall be irrevocable. The arbitrator shall on an issue by issue basis be limited to accepting the final offer of either party, on the issues of monthly rates, daily rate and/or effective date. The arbitrator's decision shall be based solely on the information submitted by the parties.
  5. The arbitrator shall specify the basis for the selection of one final offer over the other.
  6. The arbitrator's determination shall be final and binding, and issued no later than 30 days after the record is closed.
  7. Each party shall be given the opportunity to present its entire case, with the party demanding LOBA proceeding first and the other party second. At the end of the direct testimony, the party demanding LOBA first shall have the option of a closing statement, and the other party shall have the option of the final closing statement. The parties shall have the option of presenting a brief to the arbitrator and/or a factual rebuttal in writing. The brief or rebuttal option shall be chosen by the parties at the conclusion of the hearing, and must be submitted to AAA no later than 15 working days from the close of hearing.
- b. The above agreement is limited in scope to disputes regarding parking fee negotiations, and shall not be extended to other disputes, unless mutually agreed by the parties.
  - c. The arbitrator shall take AAA oath, and shall place witnesses, if any, under oath.
  - d. Commencing with the first hearing date, the entire process shall take no longer than 60 calendar days.

Sincerely,

Joseph M. Bress, Director  
Governor's Office of Employee Relations

Dear Ms Sims,

Article 20 of the Agreement provides for a letter of notification of employment to be issued to each employee which shall contain the anticipated duration of employment.

In the event an employee's tuition scholarship is reduced during the period identified in the letter of notification as the anticipated duration of employment, such employee shall be entitled to meet with the campus administrative officer responsible for graduate programs. In the event the employee submits a written request for such meeting to the campus administrative officer responsible for graduate programs within ten (10) calendar days of notification that his/her tuition scholarship will be reduced during the stated period of employment, the campus administrative officer shall meet with the employee within the ten (10) calendar days of such administrative officer's receipt of the written request for the meeting. The purpose of such meeting shall be to discuss the reduction in tuition scholarship. In the event the employee does not submit a written request for such meeting to the campus administrative officer responsible for graduate programs within ten (10) calendar days of notification that his/her tuition scholarship will be reduced during the stated period of employment, there shall be no further entitlement to a meeting with such campus

administrative officer.

The employee may elect to be accompanied to such meeting by a representative of the GSEU. Such election must, however, be clearly stated in the employee's written request for the meeting with the campus administrative officer responsible for graduate programs. In the event an employee does not clearly state in such a written request that he/she will be accompanied by a GSEU representative, it shall be deemed a waiver of such right for purposes of such meeting.

RE: Pre-Tax Transportation Program

Dear Ms. Sims,

This letter confirms the understandings reached by the parties during negotiations of the 2007-2009 Agreement between the State and CWA Local 1104/GSEU on the subject of a pre-tax transportation benefit pursuant to Internal Revenue Code, 26 U.S.C. §132 and related regulations. Such a benefit provides employees an opportunity to pay for expenses incurred in commuting between work and home.

As a result of the successful pilot program for State employees in the New York City metropolitan area, the State agrees to expand statewide the benefits, terms, and conditions that currently exist in said pilot program. Such expansion would provide those employees not currently eligible due to their work location the ability to use this pre-tax salary deduction program for commuting costs incurred through the use of mass transit.

The State further agrees, following ratification of the Agreement, to make enrollment in this program available as soon as administratively practicable.

Sincerely,

RE: Housing

Dear Ms Sims,

During the course of negotiations, CWA Local 1104/GSEU identified the availability of low cost housing to its members as an important item in need of examination and discussion that could not be completed within the time constraints of the current negotiations. This item was identified to be of particular concern for unit members employed by the State University of New York at Stony Brook.

It is the understanding of the parties that the local Task Force for Graduate and Professional Student Housing at the State University of New York at Stony Brook has been examining this very same matter and intends to continue such examination for the immediate future. CWA Local 1104/GSEU may identify a representative who shall be provided the opportunity to participate in the ongoing discussions of the Task Force for the term of this Agreement. Within ten (10) working days of the execution of this Agreement, the Executive Vice President of CWA Local 1104 shall notify the Dean of the Graduate School in writing as to the person (with contact information) who will participate in this capacity. It is understood by and between the parties that the Executive Vice President of Local 1104/GSEU may change participants prior to the end of September in each academic year covered by the Agreement. In such event, the Executive Vice President shall so notify the Dean of the Graduate School in the manner noted above.

Sincerely,

RE: Financial Hardship

Dear Ms Sims,

During the course of negotiations for the 2007-2009 Agreement, the parties discussed GSEU's concern over the period of time that elapses between the start of a new employee's professional obligation and such employee's receipt of the first payroll check. This has been an

ongoing concern which many campuses have addressed through local arrangements with new employees who might otherwise experience some level of financial hardship.

The purpose of this letter is to fulfill our commitment to GSEU that we would strongly encourage all campuses to assist new employees who request help in the meeting of financial obligations while awaiting issuance of their first payroll check.

Sincerely,

Phyllis A. Volpe

RE: Compensation Reopener

Dear Mr. Searle,

Upon execution and ratification of the Agreement, GSEU has the right to reopen negotiations, during the term of the Agreement, with respect to the sole issue of a general salary increase for fiscal year 2016-2017, 2017-2018 and/or fiscal year 2018-19, if any other state bargaining unit negotiates and ratifies a general salary increase exceeding 2% in state

fiscal years 2016-17, 2017-18, or 2018-2019. This right is conditioned on taking into account the overall value of compensation increases for GSEU members during the term of the Agreement and the value of any concessions obtained by the state contained in the collective bargaining agreement used as justification by the GSEU to demand reopening.
